Correspondence

Aberdeen
Prof. Rees Ellis is in New York. Mrs. Louisa Case is visiting in Cincinnati.
Rev. R. E. Boggs is preaching this week at Featis, Lewis county.
Mrs. Owen Williams is visiting her parents at Princeton, Ky.
Mr. Darnell Martin, who is attending college in Indiana, preached his first sermon, recently, in the First Baptist Church of Indiana City.
Mr. Fred Bierley has returned from a visit with his brother at Carrs, Lewis county.
Mr. Laf Fulton has greatly improved his property at Second and Locust streets by moving the dwelling back from both street, building verandas, additional room, etc.
Miss Minnie Boggs, who was stricken with typhoid fever while visiting her aunt, Mrs. M. Foudray, in Lewis county, is slowly convalescing at her home here.
Concrete walks have been put down on the Third street and Main street sides of the school grounds, which is a much needed improvement. Both sides of Third street, from Main to Locust, now have good concrete walks, and we hope that the good work will be extended, not only in both directions along Third street, but all our streets. Good side walks is one of the most important conveniences of any town.
Miss Elenor Johnson, who has been ill for several days, is reported better.
Rev. Owen Williams is enjoying a vacation, rusticated in the country doing carpenter work, and never missing a preaching appointment.
Our village seemed to take more than the usual interest in celebrating Halloween, everybody and their neighbors being out on parade. The P. T. A. entertained a large crowd, and realized a neat sum from refreshments, served. One or two fights, but no one, or no property seriously hurt.
Several families have recently moved from Aberdeen to Cincinnati and Dayton, but the vacated houses are soon occupied by new families moving in, so that few, if any vacant houses remain here. Property is cheap, and rent is cheap here, although we are the best and the nearest suburb of Maysville.
We understand that our meat market, which has been closed for several months, is soon to be reopened.
It gives us pleasure to see Maysville grow and prosper as we are almost a part of that city, but we have to wonder why Maysville gobbles up all the warehouses and monopolizes the tobacco market instead of dividing with her little neighbor on the Ohio side, for probably half of the tobacco going to the Maysville market, is grown on the soil of Brown and Adams counties, and so could just as well be handled in Aberdeen without crossing the river.
W. S. Tomlin has moved to Fleming county, where he has purchased a general store.
Rev. Owen Williams now preaches at the Baptist Church every Sunday, morning and evening, except the second Sunday, when he preaches at Dover. Rev. Burgett preaches at the M. E. Church every Sunday evening.

A beggar recently arrested in New York had a bank book showing deposits of nearly \$2,500.

New in the line of contractors' machinery is a hand-operated concrete mixer that can be run by one man.

ODDS OF 10 TO 6 ON CHARLES E. HUGHES ARE OFFERED IN NEW YORK CITY

New York, November 1.—One bet of \$10,000 on Hughes was placed in the early morning on the curb today at 10 to 8 on Hughes. Some small bets were placed at as high as 10 to 7 1/2. Odds of 10 to 3 were offered in the morning by the Hughes supporters and 7 to 10 was asked by Wilson backers.

Later in the day some Hughes supporters on the curb were offering 10 to 6 on their candidate. A number of bets were being recorded just before that at 10 to 6 1/2.

At Republican headquarters it was announced that being odds in Wall street had been lengthened in Hughes's favor.

Democratic managers asserted that the prices were fictitious and that the market was being manipulated by Republicans. It was said that even money prevailed in Chicago.

The odds are still 10 to 6 Hughes will carry New York state, with Wilson supporters asking 9 to 4. Even money is plentiful, without takers, that Wilson will carry Ohio. The odds on Governor Whitman today were 3 1/2 to 1.

Lucas County has an area of 1,000 square miles.

IT'S SURPRISING

That So Many Maysville People Fail To Recognize Kidney Weakness.

Are you a bad back victim? Suffer twinges; headaches, dizzy spells? Go to bed tired—get up tired? It's surprising how few suspect the kidneys.

It's surprising how few know what to do. Kidney trouble needs kidney treatment.

Doan's Kidney Pills are for the kidneys only. Have convinced Maysville people of their merit.

Here's a Maysville case; Maysville testimony.

Kidney sufferers hereabouts should read it.
Mrs. John Burns, Maysville, says: "I was subject to severe spells of backache and other symptoms of kidney trouble. They came on every three or six months and at times I was confined to bed and almost helpless. Doan's Kidney Pills gave me quick benefit. When I have had slight return attacks of backache, Doan's Kidney Pills have never failed to quickly check the trouble."

OVER SEVEN YEARS LATER.
Mrs. Burns said: "The statement I gave before praising Doan's Kidney Pills still holds good."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burns has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

TEXAS JURY ACQUITS COPELAND, ALLEGED SLAYER OF WILLIAM BLACK

Galveston, Texas, November 1.—John Copeland, charged with the killing of William Black, an anti-Catholic lecturer was found not guilty in the District Court here today.

The jurors had deliberated 84 hours, during which time they had twice reported to Judge Clay Stone Briggs that they could not reach a verdict and each time had been sent back.

Black was shot in his room in a hotel at Marshall, Texas, February 3, 1915.

As a race, the tallest people in the world are the Borors of the southwest of Brazil. They average six feet four inches in height.
